PENTECOSTAL CHURCH OF GOD .... WORLD MISSIONS

MISSIONARY NEWS  
JUNE 2018

# UPCOMING EVENTS

## ALL-ASIA CONTINENTAL CONFERENCE

WHEN: July 25-27, 2018

WHERE: Manado, Indonesia

WHO: The PCG leaders from all across Asia

WHY: Coming together for a time of training, worship and fellowship.

## ALL-AMERICAS CONTINENTAL CONFERENCE

WHEN: August 14-16, 2018

WHERE: San Pedro Sula, Honduras

WHO: The PCG leaders of North America, the Caribbean, Central America & South America

WHY: Coming together for the first time for a time of training, worship and fellowship.

## GET INVOLVED

### PRAY

These events can't happen without faithful prayer support from all of you.

### GIVE

Your financial support is deeply appreciated to make these events a success. You may give to the #9900 Continental Conferences account through our resources listed below.

### GO

If you would like to take part of the All-Americas Continental Conference, please contact the World Missions Department. Space is limited!

World Missions Department  
PO Box 211866, Bedford, TX 76095  
(817) 554-5900, EXT. 344, 342

You may give online at [www.pcg.org](http://www.pcg.org) through the online giving tab

Find us on facebook at PCG World Missions!

# WORLD MISSIONS

PENTECOSTAL CHURCH OF GOD

Although the winter of 2017/2018 here in the Dallas/Ft. Worth Metroplex was not especially unpleasant, it just seemed to hang on week after week after week. However, we are now seeing our car temperature gauges go beyond the 90F mark and the cooler temps of our “winter” are officially gone. Summer is upon us!

In this June issue of WORLD you will read about: Meskerem preparing freshly baked pastries at the Family Mercy House in Addis Ababa and the kindergarten feeding project for 200+ Syrian refugee children in The Picketts In section. You’ll enjoy the water baptism scene at Malawi’s 2018 Easter Conference in the Copp’s Zebra Stripes, the El Faro Christian School success in a Light on Panama, the completed building projects in The Nutt Family-Bolivia, the Casa dos Filhos in Passion & Compassion and a great deal more as you read about what is happening around the globe. Thank you for praying for, connecting with, and financially supporting our missions families around the world. Enjoy the tour!

## ***CONTINENTAL CONFERENCES***

Excitement is definitely building for our conferences in both Asia and the Americas this summer.

***All Asia Continental Conference  
Manado, Indonesia  
July 25-27, 2018***

***The Americas Continental Conference  
San Pedro Sula, Honduras  
August 14-16, 2018***

At present we are thrilled that over 30 countries will be represented in these two conferences. Worship, training, fellowship, and everyone keying in on ***One Mission ~ One Movement!*** General Bishop Wayman Ming, Jr. will be speaking in both conferences and we will be live streaming all evening services from both locations. These conferences are vital to the completion of our Continental Conferences on all five major continents where the Pentecostal Church of God has ministry presence. These are the precursors to our ***PCG 100-year celebration in 2019***, and the ***PCG World Conference in 2020***. Your financial support for the ***All Asia Continental Conference*** and ***The Americas Continental Conference*** is deeply appreciated. **Simply designate your offering for both of these conferences: Account 9900. Thank you for partnering with us!** We are *Committed to the Harvest UNTIL THE WHOLE WORLD HEARS!*  
***ONE MISSION~ONE MOVEMENT!***

• Per and Abbi Akvist, PCG Mission to Ethiopia • May 2018 •

Dear Friends, spring is almost over, and summer is coming. I really enjoy the different seasons each one having its own highlights. In our ministry, there are also different seasons. The outreach crusade season starts in October and ends in May because from June through September it is rainy season. Now I am looking forward to a traveling season. I have a crusade in Bolivia in July, and in August I will be the speaker at Michigan PCG camp meeting; I would love to see you there!

When we summarize the crusade season, we take note that we've preached face-to-face to about 245,000 people. We've recorded about 40,000 newly saved people and hundreds healed and physically restored. Testimonies are still coming in from pastors around the country that after the crusade revival, new life has come to their local churches. Glory to Jesus!!!

Pastor Belay is our main man for the church planting movement! He is an educated lawyer and served as a judge for three years but always felt the Lord urging him for full time Gospel work. He has been in ministry since 1993 and has great experience as a church planter. His apostolic ministry is highly respected in Ethiopia. We have worked together in different settings since 2007 but three years ago we started this movement with a core team of six people. The Lord has truly blessed the work and we have grown from 3 congregations to 86 congregations! We have also officially begun PCG Ethiopia, called "Covenant of **God's** Love Church". On a regular Sunday, more than 25,000 gather for worship services.

Many of Pastor Belay's congregations are located in remote areas and as the president, he must visit each church. He travels by bus and sometimes he climbs into the cargo area of trucks. Mostly he has to walk mile after mile on dusty, difficult roads. HE HAS DONE THIS FAITHFULLY FOR MANY YEARS! Pastor Belay needs a safer and more efficient way to travel, he needs to come home to his wife and four children between trips. We want to purchase him a second-hand Toyota

Land Cruiser which costs \$14,000 US. Please consider how you can be part of helping to provide a vehicle for Pastor Belay.

**Please use the payment method below and mark the donation "church vehicle."**

Much love and appreciation,  
Per and Abbi Akvist in Ethiopia

May 1, 2018

Dearest Friends and Family,

Greetings in Jesus' Wonderful Name!

We dedicate this newsletter to the Union of Hungarian Pentecostal Churches in Romania with the following information from our dear friend and co-laborer, Pastor Csonotos József:

## THE HUNGARIAN PENTECOSTAL CHURCH IN VAJDAHUNYAD (HUNEDOARA)

On December the 27th 1987, 27 people baptized in the Holy Spirit established the Hungarian Pentecostal Church in Vajdahunyad (Hunedoara). In that period we had to face all odds against us, as a Hungarian church in a communist world. What we experienced is that if God is with us and we serve His will, none can stand against us. God blessed abundantly the small beginning in an old house that was donated to the church.

We've experienced God's wonderful guidance so far. In 1990 the Lord provided us Pastor Csonotos Jozsef who is still in this duty now.

The old building was transformed inside and outside with the help of the Lord and many good willing brothers and organizations.

Many joined the church and got baptized. But, unfortunately, many went abroad for work. Many are with the Lord already. But we still remained with some who still remember with joy of the beginning. We know we are a blessing for our fellow Hungarians in the town.

On our events we proclaim God's love, the message of repentance and His salvation through Jesus Christ. We believe that the Lord

who sustained us in the last 30 years will bless us in this city for the salvation of many. Actually we have 34 members, but through our ministry many more are reached with God's grace. In this city we are one of the 11 evangelical churches, and we have a very good relation together.

Baptism Scene at Malawi 2018 Easter Conference

## Notes of Praise

In November 2017 Bishop Matheus Guambe Xai-Xai, Mozambique suffered a mild stroke. Although he still has some issues with his arms and legs, he says that he is improving and feeling much better.

Thanks for those who have been praying for Bishop Nabalera Kasongo dealing with a court case in Bukavu, DRC involving actions by a rebel pastor. (\$1600 urgently needed for lawyer fees!).

**NOTE:** When you send project or other contributions for us via World Missions, by all means state or designate exactly where you want the funds to go; please include our account number with your gift (Copp #4713).

**URGENT PROJECTS:** ZAMBIA – 3 rural churches need roofs - \$1,750 per church.

MOZAMBIQUE - A good used photocopy machine for the Maputo Bible College (600+ students!).

Singing & rejoicing unto the Lord in the Lower Shire Valley

All across Africa over the Easter weekend, multitudes of believers gather to worship and honor our resurrected Lord; PCG Africa churches are no exception. According to Malawi Bishop Charles Failosi, (Central Africa), 31 congregations gathered at Sain village for their conference. The Sain congregation was established around 5 or 6 years ago and continues to have healthy growth. Beginning Good Friday, approximately 1300 souls gathered for a full schedule of services. Over 670 people received Christ as their Lord and Savior, and 317 souls were water baptized in a nearby stream (photos above). Due to the distance and travel cost, the branches at Lilongwe (capitol city) and Mchinji held their own services at Mchinji.

Lubumbashi, Dem. Rep. of Congo: Bishop Malomo Mutombo, reported their churches had a glorious Easter conference; however he was unable to send photos as his digital camera is now kaput.

Your faithful prayers & support are greatly appreciated! Special thanks to those who gave financial support & prayed for the Nairobi Summit in Mid-April.

## *J. Mark & Susan Holbrook Kenya Field Representatives*

Greetings from J. Mark & Susan Holbrook, your Field Representatives to Kenya.

We are happy to report that the PCG is alive and well in the nation of Kenya! The Gospel is being preached with signs, wonders, and miracles following. Souls are being saved. People are

being filled with the Holy Spirit. New churches are being established. There is so much to tell that we don't have room to share everything in this letter. Here are just a few of the highlights:

### **God Miraculously Sent Rain and Ended a Two-Year Drought**

In an area where we have been working in southeast Kenya, a drought had been ravaging the land for nearly 2 1/2 years. A PCG congregation and elementary school in the remote Maasai village of Sompét was in the midst of a crisis. In the late Summer and early Fall of last year we had been sending food relief but knew that our efforts could not be maintained for more than three months.

In October of 2017, while on a video call with the people of Sompét and Bishop Jefferson Nyatuka, our PCG

Bishop in Kenya, we began to pray and intercede that God would break the drought. This was a full six weeks before the rains would be expected, if they were to come on schedule.

We asked Bishop Nyatuka about that day during another video call in early March of this year. According to Bishop Nyatuka, "When we had prayed, the whole village began to rejoice and weep for joy because they knew God had heard their prayers. Within just a few days it began to rain, and it kept raining. Even now, it is still raining. The most amazing thing is that the area around Sompét has received rain, but the other villages have not. Sompét has begun to plant their second planting of beans and maize when the other villages have not planted even once. It is a miracle what has happened here."

Near the end of March, I was able to return to Sompét and see with my own eyes the dramatic change that had happened there. Where the land had been

parched and lifeless, now it was green and flourishing. Where the fields had been barren, now they were incredibly

fruitful. Accompanied by Bishop Nyatuka and his wife, Sister Pauline, we were greeted with much singing and dancing as we celebrated the overwhelming goodness of God with our Maasai brothers and sisters.

### **Easter Revival in the Capital**

Upon returning to the Capital City of Nairobi, we had the honor of ministering for four days in an Easter Revival at Calvary Covenant Centre PCG. The culmination of these powerful meetings were two services on Easter Sunday with more than 3000 in attendance. Countless testimonies of healing and deliverance came out of these meetings as God profoundly touched the lives of the people.

## *J. Mark & Susan Holbrook Kenya Field Representatives*

### **Pastors School in Nyangusu**

One of the greatest needs of the PCG in Kenya is to provide a solid education in the foundational truths and doctrine that are in scripture. To assist us with that, we were blessed to have

friends from the Ohio District with us in western Kenya for five days of intensive teaching and training for pastors. Joining us were Ohio District Secretary/Treasurer Pastor Isaac Shelton Jr. from Faith Tabernacle in Defiance, Ohio and Pastor Jerry Meyer and son Christian from Breakthrough Harvest Church in Gilboa/Ottawa, Ohio. Along with Bishop Jefferson Nyatuka, we spent several days in the town of Nyangusu sowing into and enriching the lives and ministry of 150 pastors; that is 50 more than the 100 pastors we were expecting.

Each of the ministers who were able to attend all the sessions were provided a

place to sleep, meals, handouts & workbooks, and more than 40 hours of quality instruction in a classroom setting. These men and women were educated and equipped with tools, resources, and training that will help them be even more effective in reaching their fellow Kenyans for Christ. We cannot overstate the impact these five days had on the pastors who attended.

We have been invited back to do six days of continued training in mid-August. Based on the response in April, we are anticipating up to 250 eager ministers to be registered for the

next series of classes. To accomplish this, we need at least two or three ministers to travel with us who can help teach foundational doctrine. If you are interested in being a part of our team, please contact us via email at the address given below.

The total cost for the August Pastors School will be \$10,000.00. That is an average of \$40.00 per pastor for all the classes, handouts, workbooks, accommodations, and meals. We need pastors and churches in the United States to provide scholarships so that our

Kenyan Brothers and Sisters can be prepared to rise up in power and take their nation for Christ.

Your financial support is the easiest and most effective way to start making a difference. Our goal is big, and there are many steps to take, but we have

both the faith and the will to accomplish the task God has given us. Through the generosity and support from churches and individuals like you, we can not only make an impact in the lives of these pastors, but completely change the direction of this country.

Daniel & Hermine Falquez  
< GERMANY >

**CALL TO SEND:** [Romans 10:15 \(NKJV\)](#) <sup>15</sup> And how shall they preach unless they are sent? As it is written: "How beautiful are the feet of those who preach the gospel of peace, who bring glad tidings of good things!"

I encourage you today to look at the two complementary roles mentioned in this verse: of those who **go**; and those who **send**. In Neal Pirolo's book, **Serving as Senders**, he asserts that "It is clearly established that those who **serve as senders** share an equal responsibility and privilege with **those who go**." **Those who go** and those who **serve as senders** merge their callings and talents and gifting to form the mission endeavor. All are equally important. All are vitally involved in the fulfillment of the work God has called them to do. All are dynamically integrated and moving towards the same goal. Paul understood the importance of "**senders**" in his own missionary work. He deeply valued his partnership with the believers who acted as **senders**, backing his missionary endeavors with prayer, concern, involvement, and provision while they actively ministered at home as **senders**. ([Phil.1:5](#); [4:15-16](#)).

## Who is a sender?

A **sender** is someone who lives so that the gospel may go forth into all the world. A **sender** regularly sacrifices time in prayer for missionaries on the front lines, so that the name of Jesus will be lifted up in the earth. A **sender** is a believer who forsakes their comforts and sacrificially gives their blessing of resources to missions. It is someone who engages other believers with the reality of the Great Commission and encourages them to get involved as one who **goes** or one who **sends**!

We appreciate your prayers, love, and support as you **serve as senders**! *Daniel & Hermine Falquez*

## Jesus March – Shine your light in the city

The church in Saarbrücken joined by several hundred participants took to the streets to declare Jesus and to bless the city. With praise songs, flags, banners, and posters it was a joyful sight to see! Along the route to the city castle they distributed 1000 gifts including treats, and New Testaments to the onlookers. Rounding up the event with presentations, preaching, and the blessing accompanied by the blowing of 10 Shofar horns.

**Thank God for the "Gospel witness" received by so many.**

## Attacks on Christians in Germany's refugee camps condemned

Warnings about the violence against Christians in refugee homes in Germany is being played down or ignored and Germany cannot allow attacks on freedom of religion. Ramin F. comes from Iran, where he converted to Christianity. Now, he lives in a home in eastern Brandenburg just outside of Berlin, together with 120 other refugees, eight of whom are Christians like him. And he says even in Germany, he feels persecuted.

**Pray that officials take a stronger stance on the current situation.**  
**Pray for the converted Christian refugees to find proper housing.**

**MAY 2018**

### COSTA RICA

Praising God for the baby work in Costa Rica! We will be celebrating with them their 5th anniversary the 23rd of May! They are reaching out to tribal people who are barely reached. Keep these “babies” in prayer.

### NICARAGUA

We are so grateful for JP and Kaitlyn Husong, our new missionaries itinerating for Nicaragua. If you have not yet had them in your church, please contact them. Nicaragua is poised for a great revival. Pray our missionaries are soon in position to receive the new believers and churches.

Nicaragua's annual convention just reported that there are now 80 PCG churches in Nicaragua.

Sunday Morning convention service in Esteli, Nicaragua.

### TRAVEL

Being a missionary involves a lot of travel. It seems like we now travel more than ever. We thank God for travel safety. Please don't stop praying for safe travel.

We ask for prayer for our incoming teams and upcoming Retreats for Pastors' Kids. We are not looking for 'good times', but 'God encounters'.

### IMIT INTERNS

We are excited about our IMIT interns, Taylor and Micah Yursik. They have diligently been studying the language and the culture. They are soon making an exploratory trip to Peru, investigating a tribal group there. Please be in prayer for God's leading.

### AHIKAM CHILDREN'S HOME

At 14 a girl ran away from home, slipped over the border, and stole an ID. For a couple of months, she enjoyed a good job and well living. Then she was thrown in prison for identity theft—a tender child in with hardened adult criminals. She was used and abused by men and women alike. She feared for her life. At the same time, in her home country, her heart-broken Mama wouldn't give up and turned to the police by giving them a picture of her daughter. The girl was in prison for a couple of months before her picture caught up to her. Realizing she was a minor the government deported her. She was sent to Ahikam where she met Jesus. After about 6 months she was able to forgive and thank her mother. Within a couple of weeks, she went to live with her Mom. I love happy endings!!!

Please keep her and the other kids who have not yet found a happy ending in your prayers.

This picture shows the new sewing room at AHIKAM!

Blessings from Guatemala,  
Les & Charlene Melton

## THE DECADE THAT DELIVERED!

It was just over a decade ago when I stepped off the plane onto African soil in the beautiful country of Ethiopia. I knew something special was happening...especially when I heard the Holy Spirit specifically say "You will be back".

This began a decade long journey that has delivered miraculous outcomes and changed my life. The Lord gave me a whole new sense of calling and direction. Yes, I've been back every year since the Holy Spirit gave me those instructions. Thus I've had the privilege to work with our pastors, leaders, and bishops who emerged in my area of responsibility as the Director for East Africa.

The Masai people led us in glorious worship!

These PCG leaders had laid a foundation for miraculous spiritual growth and already planted the seeds for countless new churches. Very quickly my base for outreach became Calvary Covenant Church in Nairobi with our visionary Bishop Nyatuka. Thus for more than a decade we've been planting churches, training pastors, and convening numerous strategic conferences. Together we have planned, prayed, implemented, enjoyed fellowship, and built trust and relationships. It became clear that this was our year, it was time, to see Africa rise and come together to establish the vision of newly appointed General Bishop Wayman Ming Jr. with One Mission One Movement. The timing for our April conference was not a coincidence. Instead it was God's time to bring everyone together from afar, 14 countries, to launch a movement that will now take us into the next century of the PCG.

We felt the presence of the angels from heaven singing with us as we worshiped and danced with joy and exhilaration. We felt the presence of Pentecostal power as more than 1000 of us prayed and became exuberant that this was the time to move forward to plant more churches, recruit and train more pastors, and literally put in place a new International Mission Center here in Africa. It will be in this Mission Center that young and old will discover a new purpose, a new path, and new empowerment that will cause the "lost to find Jesus." Already extra funds have been received to build 4 new churches (\$1,000 each) in Tanzania and Kenya. And that wasn't even in the plan! Because of the generosity of prayers and giving many around the world were able to watch and be touched with the "live stream" of the Bishop's Keynote Address. The response was beyond what we expected. This experience set in motion a movement that will now expand throughout the globe in these next months to Asia, Latin America and beyond.

Yes, God is preparing the way to the Centennial Celebration of the PCG. Thanks be to God!

## THE NUTT FAMILY – BOLIVIA

Greetings to all in the name of Jesus Christ.

We arrived safely in Bolivia and are pursuing God's perfect will. Now is the time to work for night cometh when no man can work. Let us press on to the mark and finish what God has called us to do. Our priority is to preach the gospel to the unreached, to train those already saved, and to praise the name of Jesus. What a beautiful family we belong to. The Pentecostal Church of God is more than a fellowship of believers, it is a world-wide family. How blessed we truly are.

The different projects that you sowed into are already in progress. A special thanks to Pastor Buel Curtis and Living Faith Church in Fayetteville, Arkansas for the Sucre, Bolivia building project. We have already finished the construction of this phase and now are ready to begin the next. God bless you richly. We are now beginning the roof on the Cotoca PCG.

Thank-you Pastor Jim Laudell and Humnoke PCG, Arkansas and Pastor Troy Miles at Solid Rock PCG in Bonham, Texas. What a blessing Pastor Joe Skiles at Solid Rock Family Church was to us during our visit there. There are so many that have truly blessed the work in Bolivia that we cannot mention you all.

Already, since we arrived in January we have had the privilege of baptizing fifteen new converts, ordaining new pastors to ministry, building in Sucre, and continuing with the leadership of the churches we pastor. We have 30 in the Bible Institute in preparation to be the future of the Pentecostal Church of God of Bolivia.

This year we have a trip planned to Uruguay, Argentina, Chile and to San Pedro Sula, Honduras for a Continental Leadership Conference. What a blessing it is to serve our Lord Jesus Christ. We are in debt to our Lord. Thank-you for sending us, praying for us, and supporting the work of missions. A big hug from the Nutts in Bolivia.

# Mission Focus

ADDRESSING  
THE NEEDS AND  
PLANTING  
THE SEEDS  
FOR THE  
KINGDOM OF GOD.

## REV. CURTIS AND SIS COLLETTE PEART PCG FIELD SUPERVISOR FOR WEST AFRICA, AND ENGLAND

Dear Family and Friends,

Greetings in the name of Our Lord and Savior Jesus Christ. Please remember our Brothers and Sisters in your prayers, especially those who are being persecuted for preaching the gospel.

### England

Bishop Daniel Attoh is still the overseer for the PCG-UK. On November 12th-23rd 2017, my wife, Sister Collette and I visited the Field to officiate the dedication of the new location of Living Word Ministry, our PCG church in Hull. The Discipleship Church of God in London under the leadership of Rev. Joy Smith, has moved from the building to a new site that is rent free. They desire to save as much as they can to purchase a new property. PCG-UK has ordained two new Pastors who are willing and ready to go out and start new churches in London.

**Jamaica** 1. As the Pastor of Trinity Faith PCG in the Bronx, our Foreign Missions Department has recently started a project for the island of Jamaica. Our aim is to provide programs to help the Poor Churches and Pastors who are struggling on the Field. On December 12th, 2017 –January 11th, 2018 my wife, my daughter Lavinia and I went to Jamaica. While there I preached at the Moravia PCG in Clarendon; they were in need of a home for the residential Pastor. Trinity Faith PCG in the Bronx sent money to repair the church in Moravia and to buy and repair a parsonage; we did the repairs so they now have a parsonage. We visited and exhorted the brethren at the PCG in Mandeville and Savoy Crescent in Manchester. We visited the PCG Bible School for watch night service; while there I exhorted the brethren to stand firm in the Lord.

**Ghana** Bishop Pasival Selly is still the Overseer for PCG-Ghana. They held a Dambai Mission Crusade on March 21st - 23rd, 2018. Bibles were distributed, souls were saved and many healed.

1. Afram Plains District ( PCG farm project site ) .The land for this project is already purchased, but money is needed to prepare the field for cultivation and to purchase seeds.

2.Toilets... PCG Ghana wants to build sanitary convenience in some of the poor villages in Africa. The cost of erecting 1 toilet is \$2000 US.

**Prayer Requests:** 1. PCG Field Representatives Finances 2. Bishop Selly as he Supervises the West Africa Field. 3. West Africa District Presbyters 4. England as they move forward to spread the gospel

If you are willing to support me through prayer as well as monetarily, I would be grateful. The PCG World Missions has established an account number for me where contributions can be made, to be used exclusively for this project. Please send all contributions to:

PCG World Missions  
P.O. Box 211866  
Bedford, Texas 76095

Please include the account number on the check or M/O **Acct# 1705**

# Philippines Praiseletter

SUMMER 2018

## Greetings from the Parkmans

**PRAISE THE LORD!** We rejoice in what the Lord is doing around the world. We feel honored that the Lord has allowed us to be a part of this great move of God and that we can be your arms extended to the Isles of the Philippines.

**RECENT TRIP TO THE PHILIPPINES!** We just returned from a month long ministry trip to the Philippines. It was truly an exciting time for us to return to the country and people where we have spent most of our lives. It thrills us to report that the churches and Bible Schools are alive, well, and growing for the Glory of our Lord!

While in the Philippines we were able to speak at Bible College graduations and chapel services at both of our main schools in the northern and southern parts of the country, as well as church services in those areas. There were also two funeral services in the south as well as a church dedication on the western Island of Palawan. We spent most of our time traveling and ministering and encouraging the saints, though we were the ones who were greatly encouraged by the faithfulness of our dear people there.

Funds were given to help in several church building projects in: Ginoog, Manaoag, Irawan, and Saguday. A Tricycle was purchased for church planting ministries in northern Philippines. Funds were also given to help supply a great need that our Filipino missionary was having in Cambodia.

**NEXT TRIP TO THE PHILIPPINES!** We are planning our next trip to the Philippines in July for three weeks and then Indonesia for one week to attend the All Asia PCG Conference.

**THANK YOU!** We thank God for each of you who continue to hold us up with your prayers and finances. You are making a difference and helping to change the world.

5 successful "shipments" totaling 25,000 boxes of Bibles and 42,000 Story of Jesus booklets to the persecuted church in Iran. We have another 200 boxes to ship at \$300 each. 100 Bibles per box. Thanks for your help. With a million new believers in Iran 5 families will share 1 Bible.

ISIS destroyed the church bell tower. They are mostly defeated but pockets still remain. The massive cleanup has begun.

ISIS controlled about 1/3 of Iraq and now many of the buildings look like this. It looks apocalyptic, but people are returning to clean up and rebuild.

The winter rains never came this year to the Nineveh Plains and Mosul. It's like a curse on the land. All the farming equipment has been looted or destroyed. The only green farm was our Christian friends. We helped them buy new irrigation pipes to start farming again.

Our Kindergarten feeding project for 200+ Syrian refugee children. Many of these children have been born in the camp. They get a good hot meal every school day.

A sincere THANK YOU! From Grady and Becky Pickett for your help and prayers.

## Servant Leaders

The last several months have been a time of transition filled with new adventures. We received a team of young leaders from the ministry school of Higher Vision church in Valencia, CA led by Spencer & Justice Ming. They ministered in the village of Timbó, with our children at Casa dos Filhos, on the streets with the Hosea Project, and in our church with the youth. We had an incredible time as God powerfully used this team! Thank you Higher Vision for making a difference in Brazil!

**Casa dos Filhos** continues to thrive with 40 children enrolled in this year's activities. We have a constant waiting list that continues to grow, and we

are praying for the Lord to open doors financially to be able to begin a morning session for 40 more children in 2019. We have undertaken major reforms to the building since the end of 2017 and we are continuing to improve the quality of our location.

Casa dos Filhos has a team of volunteer psychologists who are working closely with the parents/guardians of these children, as well as the children themselves and we have seen some outstanding outcomes. Please continue to pray for this project, and consider sponsoring a child \$40/month so that we may continue this educational ministry for children at risk and reach other children and their families.

## REPORT FROM THE AMAZON

Our missionaries, Gustavo & Debora returned from their trip to the Purus River of the Amazon with incredible reports of doors the Lord has opened for a future missions base. They have made two trips to the area and the Lord used them greatly with words of knowledge and miraculous healings. As they met people throughout the area, a very small group of Christians spoke to them of a word that was given

to them many years ago by one of the last missionaries to visit this region. This word spoke of "those who would come", and they were convinced that this word was about Gustavo and Debora. The Lord used them to bring great hope, and the people were astounded by the "magic" that followed their lives. Gustavo & Debora had the privilege of telling them that the "magic" is Jesus. The Lord is also opening doors with government officials, and making a way where literally there was no way. Please be in prayer for our team as we prayerfully move forward in this effort and raise the necessary funds. We would like to invite you to be a part of reaching an area of the world that is virtually unreachable – 97% of the population has never heard the name of Jesus. Please pray that these statistics change by bringing the Gospel to this region of the Amazon.

Monthly support and donations to projects (please specify) can be sent to:

The Early Framework of the Sade Sade Church.

Dear Partners and church families,

We have been working to get our support built back up to allow us to continue the ministry we are doing in unreached people groups in Ethiopia and also as the Lord leads us to other areas of the world. We want to see the gospel spread so that the commission that Christ gave us in Acts 1:8 is completed. "But you will receive power when the Holy Spirit comes on you and you will be my witnesses to Jerusalem, Judea, Samaria and to the ends of the earth". Recently my Pastor, Will Markham and my good friend Phil Potocki, from our home church Revival Center of Cadillac, accompanied me to Ethiopia on a trip to minister with a partner I have there in an area that is 92% Muslim. There are churches being planted throughout this area.

My Pastor said as we rode down the less than ideal roads, trails and stream crossings, "that we had gone to the ends of the Earth and turned left". There we ministered and encouraged the young church inside a shell with a tin roof that was still being completed with the stories of Acts about the pillars of the church. We saw 10 Muslims come to Christ while we were there and saw people set free from demonic possession and witchcraft. God also performed healing miracles in our midst.

In addition to these wonderful moves we saw of God's Holy Spirit, we also were able to finance a new water project for the village of Sade Sade. As we climbed down the steep, rock,

switch-backs where the water was collected it became evident that we needed to do something to help the young ladies carrying water out of the valley. A government advisor helped us come up with a plan to contain the natural spring to avoid contamination and then transport it across the river to a collecting area where the pathway will be altered to make it safer for the ladies to use.

We are reaching to the unreached wherever God is calling us to evangelize, disciple, and bless those that have not yet received Christ to establish His kingdom.

We appreciate your prayer and financial support. If you or your church is interested in sponsoring a project please contact us through World Missions or our email (listed above). Thank you and the Lord richly bless you all!

• Family Mercy House • March & April 2018 •

Dear friends, at the end of March, the ladies at Family Mercy House needed to show what they have learned since September. They were all divided into groups which rotated to the different areas of their education such as baking, sewing, beauty salon and styling, as well as weaving and spinning yarn.

Photos Left to Right – 1. Abbi inspects the seams that Shoaye has sewed on a pink bag. 2. Hawie has woven two scarves. Abbi already tried one and Hawie proudly holds up the other. 3 & 4. Meskerem prepares dough, and after a while, she presents the freshly-baked items and pastries. She passed the test with the highest rating! Now all the women can move on and begin another area of education, preparing for the final exam in mid-June.

I am sitting and thinking today how important it is to take care of today. This day, today, it will never come again! We took the opportunity at Family Mercy House to celebrate Ethiopian Easter and made a great feast. We also told the story of Easter for the children. Ethiopia follows the Orthodox calendar and this year, Easter Saturday happened to be on April 7th. Abbi gathered all the children outside, including a group of young people that were visiting from Sweden, and told the Easter story in a very dramatic way. According to Ethiopian Orthodox tradition, which most people follow, there is a 30-40 day fast before Easter. This means you **can't** eat meat or dairy products until Easter Sunday. Then, one can break the fast and eat meat again. This **is why our "feast" food turned out to be only** a special bread and roasted seeds. The candy was in individual bags so the kids could bring it home and eat after the fasting time. We really had a lot of fun together. It was a fantastic Easter celebration.

Thank you for all your support in helping us, so we can help these women and children. Your prayers and financial donations make a significant difference in these small families. THANK YOU!!!

In love, Abbi Akvist

## **“IS THERE NOT A CAUSE?”**

We had the privilege of traveling in the country of Guyana where we helped implement two Bible seminaries for the PCG's, "Veritas International School of Theology!" Veritas is World Mission's Global seminary program to disciple, educate and train men and women in countries around the world. Rev. Kevin and I are the missionary directors of Veritas, so being able to plant those first Veritas schools was a dream come true! Guyana, PCG Bishop, Ramchand and Rev. Ann Subramanie, who are overseeing Veritas International School of Theology of Guyana, stated that having a Bible school with which to train parishioners and leaders was a dream realized for them too! They gave us the royal treatment, and we were honored to preach and see God moving in mighty ways among these kind-hearted people. I can't help but ask myself, "Is there not a cause?"

There are over 300 false religions and cults in our world today. Statistics show that 70-71% of ministers fight depression and burn-out and 90% don't feel properly trained, which can cause many to leave the ministry or fall into sin. Many Christians today sit in churches with very little biblical knowledge. They are often hurting and clueless of how to overcome life's problems. This lack of knowledge in the church can make Christians susceptible to false teachings that can lead them away from Christ. "Is there not a cause?" David's words from I Sam. 17:29 echoes in the hallways of my heart. David saw a need, as God's people were perishing in the battle. If there ever was a time in history where solid biblical teaching is needed worldwide, it is today! Today, there is a cause! Now is the time to disciple Christians and train leaders in the Word of God! Veritas International School of Theology is the World Missions' tool to discipling and training Christians globally, so instead of men and women perishing, they will grow, excel and conquer their giants! Sound, biblical teaching helps defray doctrinal error and unifies the church from within, producing Christians who have potent, spiritual foundations and are ready to win their world for Christ!

Our second Bible school that was implemented in Guyana is being overseen by Pastor Morris and Rampattie Subramanie. What a privilege it is to be helping to create dynamic, world-changers, who will be powerfully trained in the Word of God! These well-prepared leaders will be able to win and disciple lost people groups. "Is there not a cause?" Each soul being rooted in the Bible through, "Veritas International School of Theology" will have the needed tools to explode into their God-given destiny, and to win the unsaved for Jesus! Thank you, precious partners, for teaching the nations with us! Every time you pray or give, you reach another soul. "Is there not a cause?" Until the whole world is saved and discipled for Jesus, there is a cause and this is our mission!

**Bishop Subramanie** in Guyana is in need of a van to expand the ministry. If you can help, please send your offering to World Missions, P.O. Box 211866, Bedford, TX 76095 marked, "VAN FOR GUYANA. 3605pars"

We appreciate your support

Dear Friend and Kingdom-BUILDER,

After many months of frustrating administrative delays and obstacles, unnecessary extra fees and down right spiritual attacks, we were finally able to enjoy the contents of our container of personal items we have shipped to the filed. It was filled with many ministry

items needed to get us started on the ground as well as necessary personal items.

It was stressful and at times, we thought that we would lose our hard earned belongings due to corruption and dishonesty from the people we were dealing with. But praise be to God, with the help and support of friends and sponsors like you, we got everything delivered to us. Thank you to all of you who helped and supported us financially and spiritually in this long process.

Now, we are ready to focus on ministry work!

## 1ST MARRIAGE CONFERENCE

One of our first items of practical ministry was our 1st Marriage conference we held at our church plant MIRPA in Yamoussoukro, the capital city of the country, on the weekend of Valentine's Day. And it was a smashing success according to the opinions of the attendees. It started with a Couples banquet on Friday night and on Saturday, we dug in for more practical nuggets for a virtuous marriage. Thank MIRPA Yamoussoukro church for hosting us. We are planning for more conferences in sister churches around the country.

*Recognizing the longest married couple  
at our Marriage Conference (40+ years)*

## 1st WEDDING CEREMONY

As a direct result of the conference, Mr and Ms. Charles Ouanglo decided to get married after living together for more 10 years. So it was really a privilege and honor to officiate at their wedding, after the mandatory civil and legal portion at the City Hall of Yamoussoukro.

Summer 2018

# Chelsea Chats

## ETX GO HONDURAS

During Spring Break in March, I joined the Impact East Texas team taking a weeklong trip to Honduras (with missionary Les Melton and Mid-Term Life Changers Taylor and Micah Yursik) to place a roof on a church in a small village by the name of La Montaña! The walls were finished when we pulled up, so we helped place the new roof on, put in electricity, and filled in their floor. At our dedication service SIX people gave their hearts to the Lord. What a beautiful way to lay a foundation for the Kingdom of God!

## 6STONES

This April, Mary Price and I got to partner with 6 Stones to help rehab a house in our local community! 6 Stones is building a coalition of churches, businesses and others that provides solutions to meet the needs of our communities with a vision to be a catalyst of hope that transforms lives, homes and communities.

## The Celebration Committee

## MC GRADUATION

IT'S FINALLY HAPPENED! I graduated on May 12<sup>th</sup> from Messenger College with a Bachelors in Christian Ministry emphasis in Intercultural Studies. There are no words to describe the joy that lies within me. I am reminded of the verse from Philippians 1:6, "And I am certain that God, who began the good work within you, will continue His work until it is finally finished on the day when Christ Jesus returns." (NLT).

Congratulations to all the graduates of 2018!

A huge thank you to everyone who has prayed and supported me throughout this journey, I wouldn't be here today without it and God's Grace.

Blessings, Chelsea Terry

**Finally!** After all the Government hold up's, Hurricanes, and Lack of materials the church is open! It has taken almost two years, but on February 11<sup>th</sup> we had our inaugural service, and oh what a service it was! We built the church to hold approximately 100 people and had over 150 in attendance. God moved and we had 7 first time salvations, and one lady was healed after having a massive stroke!

Our next project is building another church here. We have the place, We need a building! The pastor and his wife are already working and the congregation has grown to about 30. Help! We are quickly running out of room!

## MINISTRY NEEDS

- 1) CONTINUED PRAYER FOR ILIANA, SHE IS STILL IN NEED OF A PHYSICAL MIRACLE
- 2) \$1500 FOR NEW PIANO AND DRUMS FOR NEW CHURCH
- 3) \$8000 NEW CONSTRUCTION
- 4) MONTHLY SUPPORT CONSIDER AUTOMATIC GIVING CONTACT MISSIONS OFFICE FOR MORE INFO

## News From *HAITI*

**2018** has started off very busy. We have spent time on the island in January, February and April. We return in May to host a National Board Meeting with our leaders. We made a trip to St. Louis du Sud for ministry with Pastor Elie. We also made a very adventurous journey to Cornillion. The “four-hour” drive was seven hours total. The four-hour part was a dry, rocky, river bed called a road, 16 miles long from sea level to 3,200 feet up a mountain. Yes, you read that right, sixteen miles took four hours! But we had a great ministers meeting followed by my favorite, fried goat dinner. We also had a ministers meeting in Delmas. May will see 3 more ministers' meetings.

With Pastor Elie St. Louis du Sud

View in St. Louis du Sud

***Future*** We have been working toward a solid vision for the PCG Haiti. The focus of most has been on recovery after the 2010 earthquake, and rightfully so, as Haiti was devastated in every possible way, but ***IT IS TIME TO BRING MINISTRY BACK...we must be about telling people about Jesus!***

I had a man tell me that if we wanted to succeed we needed to move the base of operation from the “dirt, trash, garbage” into a better location. One night I stood on the balcony, overlooking the city, weighing out what had been said to me. Then it hit my spirit. If you drew a 20-mile circle around the compound base, you find that nearly one half of Haiti's population lives inside of the circle. We are located exactly where we need to be!

The cost of property acquisition can be very steep. But we can start “house churches” with no property cost. Inside of that circle we currently have 12 churches. We hope to establish 50 house churches between September 2018 to the end of 2019. Our focus will be in the Delmas, Port Au Prince and Croix des Boquet areas.

We need to get the “**Dormitory Building**” repaired to use for training and to help house young ministers planting these new churches. Since the earthquake this building has housed many people seeking shelter. But now we look to get it back to intended use for training ministers of the gospel. We need foundation repairs, doors, windows, paint and a bathroom overhaul. Please help us get this building back into use by this fall. **We need \$7,500 to get all the repairs completed. Thank you for your generous giving to this project so we can get new churches started.**

## Recent Events

### El Faro Christian School

Construction is somewhat finished and our 33 Students and 3 Teachers are enjoying the new classrooms that were built last year. We are not at that point where we need individual classrooms for each grade. So this year the Pre-Kinder and Kindergartners are together. Also, 1st thru 3rd and 4th thru 6th are together. It presents a challenge for the teachers, but we are so blessed to have school classrooms for these Ngobe Indian children.

# PIONEER PERU

Hello Pioneer Peru family!!

We can't believe that we are already 8 months into our year-long IMIT internship with the Meltons; wow, does time fly!

With only 4 months left, we are feeling very bittersweet because we have grown to love the Meltons like family and are sad to leave them but we are also excited to put into practice all that they have poured into us the past year. We have gone into this preparation season intentionally by the leading of the Spirit to be equipped in Spanish and learning experiences under seasoned missionaries before officially being commissioned to the nation of Peru. We are so thankful that God was so gracious to us to give us this year in IMIT as a foundation to build upon.

## WHAT REVIVAL LOOKS LIKE TO US

One thing God has spoke to our hearts in this preparation season is that “revival looks like family.” This is the model of how God moved powerfully among the church of Acts and has been the mark of many great moves of God in history. Just like the gift of the Holy Spirit came into the world on Pentecost among a family of believers that were together in one accord, we believe that God still desires to pour out new measures of His spirit among family-units of believers that are united in one accord. “Sent” individuals are to be the extended hands of a greater family in Christ standing behind them. You are not passive players in the background of this mission; by praying and or giving you have also said yes to being a part of God's love-assignment for Peru!

We believe that God has truly lead us to Iquitos Peru to pursue the least of these living in the uttermost parts of the earth along the Amazon River. It is very unique because it is the largest city

in the world that can only be reached by plane or boat and is known as the “Gateway to the Amazon.” In just two months we will be in Iquitos Peru for the first time to “spy out the land” (**June 16th-June 26th**). And after the end of our internship in September we'll soon be on our way to living in Peru as long as God will keep us. We wanted to share with our Pioneer Peru family some of the ways that God has already been going before us. We hope this will also help you to be “in the loop” of how God has been leading and can help you to know how to pray.

## GOD CONNECTIONS

We started out knocking on many doors from ministries in Peru we found online. God opened an unlikely door through a ministry @ Irisglobal.org. The webpage we found was written by an Iris missionary named Bridget Carroll that God had called from Mozambique Africa to Nautu Peru (near Iquitos in the jungle). When we reached out to her she was very surprised because the web-page that we found is actually no longer on the Iris website. God only had her at a base in the Amazon for a season of a few years but just recently before we wrote her, God was speaking to her about leading a team of missionaries back into that base and the villages she was previously reaching! She gave us a list of every connection she ever had in Peru!

## 1ST PERU TRIP

From that list of connections we met an amazing couple, Viki and Michael Pasterik, that God has lead to Peru over the years through short term mission trips. They were so loving and excited to hear that God had also spoken to our hearts about His “Amazon Bride.” When we shared with them the dates that we booked for our first trip to Iquitos, they were so shocked because it was within the exact time frame that they had planned their annual trip to Peru!! They will be meeting up with us and taking us along with them to villages they have been reaching out to along the river. We will also be attending their pastors' training conference in Iquitos! They will also be connecting us with a translator there named Manuel that might be able to help us look at some potential home bases and help Taylor find someone that could help him learn the

rivers! We are so excited and blessed by this divine appointment!

### **TESTIMONY OF CONFIRMATION**

Another fun confirmation God has given us recently was through a 4 year old boy named Zane Skiles. Our Mom (Micah's mom Delane Morin) was praying with our spiritual sister (Sula Skiles) when her son Zane walked in the room. He began to pray for "Momma Delane" and told her that he saw her going to villages of people that loved her and didn't want her to leave! Sula told Zane to ask Jesus where the villages were at and he said "Jesus said South America!" Sula said she had never heard him say anything about South America ever before! Latin America is split up into many parts but Peru is a part of South America specifically! We love and honor that God used a 4 year old to bring another confirming word to us about where He is calling us! Little did Zane know that the people living along the Amazon River that we will be ministering to are actually formally known as "villages." Delane will also be joining us on our first trip to Peru because of the vital role that she plays as a spiritual covering; she will help us through ministering Godly counsel and wisdom as we will potentially make some big decisions as we take steps towards establishing a home and ministry in Iquitos. We can not thank her enough for how she has helped us stay on God's track for our lives over the years and we are so blessed to have her on our very first trip to the nation God has called us to! We know God has confirmed she has a part to play and we are seeking Him as He works the pieces of the puzzle together as we continue to move out in faith.

### **CALL TO PRAYER**

Now that we have testified of how God has been leading us; we would also like to announce that we are entering into a season of prayer and fasting to lay down a foundation of prayer for this first trip to Peru! We are doing a "Whole 30" extended fast. If you would also like to join us in this or any type of fast for any period of time in solidarity as we move forward in bold faith, **please let us know!**

We want our "Pioneer Peru family" to be a witness to the world of the difference there is when a group of believers come together to answer a calling and seek the leading of the Holy Spirit as a

united family! We want to be so connected to our "Pioneer Peru family" that our spiritual inheritance in Peru would be also be yours! Revival looks like family!

•

**SO how can we take steps as a family** to steward this assignment and inheritance of an end time revival to the utter-ends of the earth?

- First we would like every one of you that are reading this to ask God if you are called in this family-mission for Peru by praying, sending, or going. If you feel a yes in your spirit, we would encourage you to give God your "yes" just as we have. With this, we believe will come a spiritual burden, anointing, and authority in prayer as God's chosen vessels in this assignment to Peru!
- Next, begin to pray and learn about Peru, the city of Iquitos, unreached and under-reached people groups in the Amazon, and pray that God would use the nation of Peru as a vessel to shine His glory (what it looks like for an entire nation to be touched by Jesus).
- Pray for us daily!
- Listen to the Lord concerning what to pray and share with us what you feel from God on our behalf, over the nation of Peru, Iquitos, the Amazon, or the people we will be reaching out to. Share with us any visions, dreams, and or deep feelings in your Spirit God gives you. This is our advantage in living in this age. We have the same Spirit that raised Christ from the dead empowering us, guiding us, strengthening us, and speaking to us! We do not want to ignore the power of this gift within our God-given community!
- Pray about playing a part in sending us through financial support through either a one-time seed or through monthly support.
- Lastly COME VISIT US!!

# Around the World

## Itineration

An unknown challenge that missionaries face is itineration. JP & Kaitlyn Husong are currently raising funds to go to the field of Nicaragua. Please be in prayer for them as they continue to travel and raise support.

## India

"PCG BIBLE COLLEGE GRADUATION :- We just had 22 students graduate from our Bible College with B.Th, C.Th degrees. They are well trained and ready to go out in the world seeking lost souls." -Bro. Samuel Thomas

## Macedonia

Another unknown challenge that missionaries face is receiving visas from their field. In some countries, you are not allowed to enter until you have a visa. Ed & Gayla Bolay are currently in the waiting process in renewing their visas to Macedonia. Please pray for patience, understanding & the Lord's favor through this process.

# Did You Know?

- ⇒ There are currently 5.1 million Native Americans
- ⇒ 577 tribes live on approximately 56.2 million acres, on reservations, rancheros, villages and communities.
- ⇒ Only 5% of the current Native American population in North America know Christ.
- ⇒ Unemployment on the average reservation is 60-to-95% - no jobs are available.
- ⇒ American Indians' suicide rate is five times greater than the national average.
- ⇒ American Indians make up a great percentage of Pastors currently pastoring at our mission stations
- ⇒ There are 245 U.S. Federally Non-recognized Tribes
