

LIVE LOVED

Lesson 1 // LOVE SERVES

Video with-Becky Pickett

Key Verse: 2 Corinthians 9:7 (NLT)

*"You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure.
For God loves a person who gives cheerfully."*

Questions:

1. Reread Matthew 11:28 and take a moment for a healthy, self-care check: "How am I feeling today? What am I thinking or wanting right now?"
2. What has Jesus put in your hands to do? Where might you be overextending past the boundaries in your life?

Personal Application:

Do you know your neighbors? Jesus tells us to love our neighbors as ourselves, but it's hard to do that if we've never met them!

Write down the names of your neighbors on a post-it, notecard, or prayer journal and pray for them. Reach out to them and ask if they need any help. Invite them out to lunch or coffee or for a barbecue at your house (your neighbor isn't just the person who lives next door, but maybe a co-worker).
